ART HIGH SCHOOL OF HERAKLION- CRETE

*Olympia - Alexandra Vardaki*

**May 2021 ! After a long period of e- learning due to pandemic we went back to school. The whole school community was in need to communicate their feelings and thoughts during this time of social distancing**

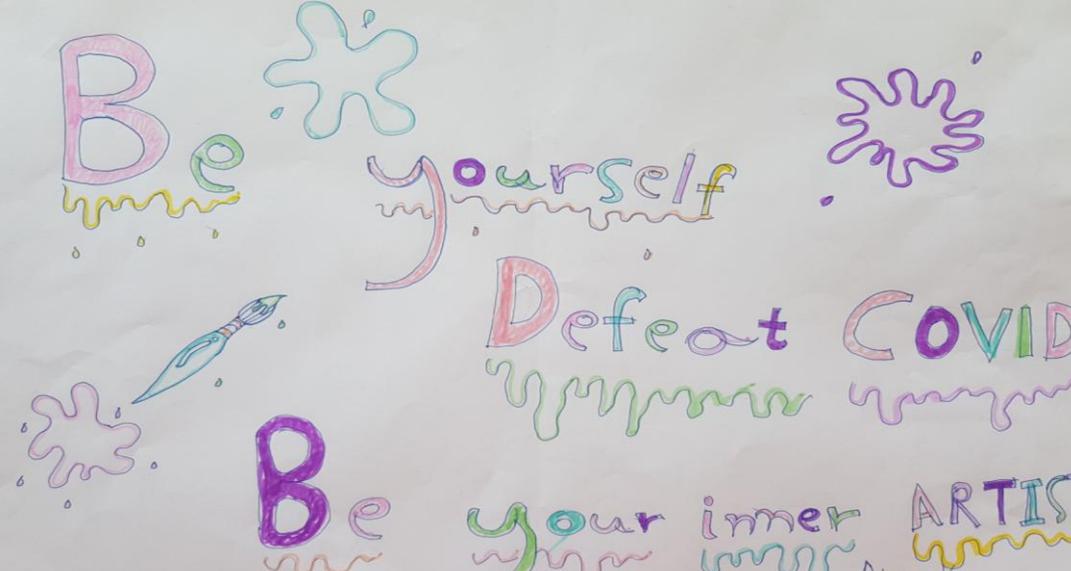

**The UNESCO project via the *International Arts Education Week* gave this opportunity and the idea was warmly accepted with great enthusiasm.**

The following presentation is the collaborative output of

- **Thirty three students from 1st, 2nd, 3rd grade of the Art High School of Heraklion, Crete**
- **From three different art disciplines –Dance , Theatre-Cinema, Painting**
- **Five Teachers**

**It took place during the classes of French , English language and the Creative Writing class.**
